Dear Prayer Partners,

YOU WILL NEVER GUESS

WHAT WE STARTED LAST MONTH...

English classes as an outreach! After much prayer and preparation we launched several classes, and the response has been tremendous. This gives us constant contact with over 80 new people, some of whom are really curious about our services. Plus, English classes are held in our church building, so town people who are not even students hear about our church, and this is a good testimony.

Do you want to be involved? How about becoming pen-pals with the school students or chatting on Skype with adults? You might have an opportunity to learn more about Russian people and culture firsthand and share the love of Christ in the process. What do you think?

We love having fun while learning English

THANKS TO YOUR PRAYERS

WE ALSO BEGAN CLASSES FOR SPECIAL NEEDS CHILDREN

and we continue to minister to their parents. It's amazing what God can do through these things. He has used our special needs outreach to start some great conversations about what we believe and why. Most of all, He is building relationships that are leading people to Christ.

We covet your prayers for another new ministry that has been long overdue. Just last week we opened our home to launch a Bible study for married couples. We had two couples come, one couple newly married, and the other couple, believers, who just started attending our church not long ago.

It was a blessing to sit and talk about God's design for marriage, family, and to discuss how to live these areas of our lives in a way that brings glory to God.

Our plan is to open this even for unbelievers but especially for the couples of our church. The truth is, we all struggle, we all have areas of weakness, and we need our brothers and sisters in Christ for encouragement and to help us. Please pray that God would strengthen marriages in our town.

I want to say how thankful we are for each of you. Partners like you write cards to us and share in our burdens through prayer. You encourage us in your letters and spoil us by sending special packages. We appreciate your faithful giving, but most of all, your heart for the Lord and the people of Russia.

You've made a difference in so many lives this year, and you inspire us by your generosity to keep serving and pour ourselves out. May God continue to richly bless you and use you for His glory!
