FIRST STEP OF OBEDIENCE

7 FOLLOWED THE LORD IN BAPTISM...

Our greatest joy is to see people saved, baptized and growing in their faith. You help make that possible through your support, thank you for that! Last Sunday I baptized four men and three ladies. I'd like to tell you a little about two of them.

Yulia is married with a one-year-old son. Over the past three months, she has struggled with the fact that her husband left her for another woman. Instead of getting angry and forsaking her faith, she has become even more faithful and found ways to serve in the church. She's there every service, comes faithfully to ladies' meetings, and has started helping in our ministry to special needs families. She prays that her husband will accept Christ as his Savior and that he will return to their family. Will you pray with her?

MadeemKhan grew up in a Muslim family in Kazakhstan. As a young man he struggled with addiction, but thanks to a rehab center just like ours, he accepted Christ, and wants to serve the Lord for the rest of his life!

“Because of your support we provide Bible and ministry training for women and men like MadeemKhan preparing them to plant churches and be faithful witnesses.”

MadeemKhan loves to sing and play guitar at our church. He also shows up every Sunday morning before services to mop the floors, comes to every 7am prayer meeting, and is faithful to our weekly men's Bible study. Will you pray for MadeemKhan's continued faithfulness and his spiritual growth?

THANKS TO YOUR PRAYERS

this year, we will be taking another trip. I apologize for not being more specific than that, however for safety reasons, this is about as much as I can share. I ask that you pray for my daughter and myself. This will be Sasha's first trip with us, and she's a little nervous. We ask for prayer for several things:

- for God to open hearts of our hearers to His Son;
- finances to feed all of our volunteers for the trip

(please understand, in our area most people make less than \$100.00 per month, just coming is a great sacrifice for them. They each pitch in what they can, but it is small);

- safety for our vehicles on the rough Siberian roads,
- protection from illness (we travel for long periods in extreme weather conditions – often our vehicles aren't very warm, and there is a certain stress involved with going where we go),
- and above all, that there will be spiritual fruit from this effort!

Your prayers and financial support make a difference in so many lives because they get to hear of Christ's love for them for the first time!
