Dear Prayer Partners,

## T MINUS 30...

**It's hard to believe, but in about 30 days we are flying to Estonia!**

God has richly blessed us with several new supporting churches and opportunities to connect with congregations that partnered with us for the last 20 years.

We praise the Lord for several churches increasing their monthly support as well as many, who have sent generous love offerings to help us get established on our new field.

We plan to spend the entire summer in Tartu and briefly return to the US in September-November awaiting approval of our long-term residency in Estonia. While on the field, we plan to find a home to live in, enroll in a language school to start practicing the language, help with summer camp and outreach, and to learn as much as we can about the Estonian culture. Please pray for God to use us for His glory.

We'll be partnering with Tartu Kolgata Baptistikogudus (Calvary Baptist Church of Tartu) to win souls, make disciples and plant churches in Estonia

It's been a joy to be at the Mission Conference of Southwest Baptist Church in Tulsa. They have been our faithful partners for 20 years

**Please pray for the hearts of Russians and Estonians to be open to the Gospel.**

Please continue to pray for my birth certificate to be apostilled and sent to us in a timely manner, so we can apply for Estonian residency. Please also pray for our children, so they would grow in their love and obedience to the Lord.

Lastly, please pray for my mom, Vera. Several weeks ago she suffered a stroke and although some doctors said she wouldn't survive, God showed His goodness and mercy. Now she recognizes people around her, understands what is being said and even attempts to smile when my brother jokes with her.

Although she is paralyzed on her right side, she is able to feed herself with her left hand and is starting to move her right leg. Please pray for her physical recovery, but above that, pray that I'll have another opportunity to witness to her and share the Gospel, so she may be saved.

For Souls in Estonia,
